SUMMARY

WordPress Developer with 3+ years building WooCommerce stores, custom PHP plugins, and LifterLMS platforms for agencies serving Indian and international clients. Focused on clean, maintainable code, fast page loads, and admin experiences that are easy to hand off.

EXPERIENCE

WordPress Developer — Hardy Infotech

2024 — 2025

Delivering custom WordPress and WooCommerce solutions; owning plugin architecture and client-facing feature builds end to end.

WordPress Developer — Elite Web Solution

2024

Built and customized WooCommerce stores and Elementor sites for a fast-moving agency roster of clients.

Web Developer — Devstree IT Pvt Ltd

2022 — 2024

Promoted from intern; shipped custom plugins, LifterLMS integrations, and REST API-driven features for production sites.

Intern — Devstree IT Pvt Ltd

2021 — 2022

Started WordPress development journey — learned theming, custom shortcodes, and PHP fundamentals.

SKILLS

Languages: PHP, JavaScript, HTML5, CSS3, MySQL

WordPress: WooCommerce, Elementor, LifterLMS, ACF

Custom Development: Plugin Development, Custom Themes, Custom Post Types, Custom Shortcodes

Integration: REST API, AJAX

Frameworks: Bootstrap, Tailwind

Tools: Git, VS Code, Postman, cPanel

SELECTED PROJECTS

- LifterLMS Certificate Automation — dynamic certificate generation tied into the student completion workflow.
- WooCommerce Custom Store — custom checkout, payment gateway integration, AJAX product filters.
- Custom Plugin Development — lightweight plugins with custom shortcodes and admin settings.
- Figma to WordPress — pixel-perfect, fully responsive Elementor builds.
- Performance Optimization — caching and image optimization work that improved Core Web Vitals.
